

Dear Guests,

Welcome to Palenčareň – a place where history meets the aroma of freshly brewed coffee, authentic cuisine, and the warmth of good company. The building you are in today is part of a story that began more than a century ago. It was here that the renowned Spiš juniper spirit, borovička, was once produced, and where these walls witnessed the dedication, craftsmanship, and everyday lives of the people who shaped the history of Spišská Belá.

Palenčareň once stood as a symbol of entrepreneurial spirit and the proud heritage of the Kleinberger family. Throughout periods of prosperity and change, it has never lost its unique character or the welcoming spirit that brings people together.

Today, we have breathed new life into this historic place. Our wish is to make you feel truly welcome – whether you have joined us for a cup of coffee, a delicious meal, a special celebration, or simply a relaxing moment with family and friends. Every detail of our restaurant reflects our respect for the past while creating a welcoming setting for new memories.

Thank you for becoming part of the Palenčareň story.

We wish you a wonderful time with us and hope to have the pleasure of welcoming you back again soon.

Welcome to Palenčareň – where history and the present come together at one table.

Prajeme vám dobrú chuť !
